ORDER

The Government of Andhra Pradesh is committed to achieve the Sustainable Development Goals (SDGs) within the timeline as mandated by the United Nations. In order to achieve SDGs before 2030 and improve the standings of the State in the SDG India Index, the Government have prepared a complete and detailed set of activities that push up performance on each SDG in the form of Standard Operating Procedures (SoP) wherein the existing programmes /schemes have been mapped to SDGs. To ensure localization, the targets on various SDGs are being disaggregated and implemented at the Village and Ward (VWS) level, except in respect of the activities (and corresponding indicators) which can be best done at higher levels.

2. The key components of SDG performance measurement and monitoring have been issued in the form of government orders at the references read above. These orders broadly relate to:

a) Preparation of Standard Operating Procedures for Localization of SDGs, mapping of SDGs with schemes & programmes.
b) the general monitoring procedures including data entry/updation of data by departments and districts on the 475 SDG indicators through a dedicated portal as per the indicated periodicity.
c) Capacity building of officers of all levels by the AP HRD and SIRD.

3. Accordingly, with the objective of improving the performance of SDGs in the State, Government hereby constitute a State Level Coordination Committee as given below:-

1.	Secretary, Planning department	Chairperson
2.	Commissioner, Agriculture	Member
3.	Commissioner, School Education	Member
4.	Commissioner, Intermediate Education	Member

19.	Any other Head of Department, as decided by Chairperson	Member-invitee
20.	Director, Economics & Statistics	Member, Convener

4.**Key Functions of the Committee**

- As the dedicated portal on SDGs is the basis for monitoring/reviews, the Committee would ensure that data is entered in the SDG Portal, monthly, so that it can be used for review of progress by Hon'ble Chief Minister.
- Each member of the Committee shall ensure that the data entry/ updation in respect of the SDG indicators connected to their department is done in the Portal before 8th of every month.
- The State level SDG Committee would prepare a Manual for the SDG Portal. The objectives of the Manual are two-fold – ensure that data being entered by all departments at the VWS/mandal /divisional/district/state-level is automatically captured in the SDG Portal. Second, identify the Government of India portals, used by the

the NITI Aayog to access data used to rank states as part of the SDG Index.

- Each member advise the Nodal officer concerned to keep track of the progress of data entry regularly and take immediate steps to ensure that the data entered at the Headquarters is in sync with data entered at the districts.
- The Committee shall meet at least once in a month and review the progress made in respect of all the indicators under all SDGs.
- Once a month, the Committee would have a virtual meeting with District Collectors (last Thursday) and review the performance of the districts on progress on proportional target achievement of 115 SDG indicators used by the Niti Aayog. The progress on indicators on the individual Work Plan of each Collector would also be reviewed and feedback given to Collectors.
- The Committee shall also focus on the key areas of concern and advise the departments concerned to lay emphasis on such indicators.
- In case of any technical glitch in data entry/updation in the portal, the problem should be immediately brought to the notice of the APSDPS/DES.
- A feedback report would be sent by the Committee to all departments and districts after their monthly review. In the subsequent meeting the ATR would also be reviewed.
- Review the progress of the Capacity Building activities of the APHRDI and the SIRD.
- Organize quarterly meetings with the NITI Aayog.
- Based on the above, propose changes to the SoP.

5. The Members of the Committee are requested to take necessary steps to improve the SDG performance and thereby improve the SDG standings of the State in the SDG India Index rankings of the NITI Aayog. This order comes into effect with immediate effect.
